

SCHUDE TRADE LAW

# EXPORT CONTROLS

Schude Trade Law has broad knowledge of the U.S. export control laws and has represented clients before the Bureau of Industry & Security, the Directorate of Defense Trade Controls, the Office of Foreign Assets Control and the Bureau of the Census for such issues as commodity jurisdictions, export licenses, and seizures.

Schude Trade Law works with clients to comply with ITAR and Dual-Use product requirements, including advising on the impact of changing U.S. sanctions and embargo restrictions on clients and their affiliates. Schude Trade Law regularly conducts self-assessments of companies' existing export compliance programs and policies and develops comprehensive, individual export programs.
